Measures to Prevent Discrimination:

To prevent unlawful discrimination, including discriminatory harassment, intimidation, retaliation, and bullying, of students at district schools or in school activities and to ensure equal access of all students to the educational program, the Superintendent or designee shall implement the following measures:

Note: As part of its responsibility to monitor district compliance with legal requirements concerning discrimination pursuant to Education Code 234.1, CDE is required to ensure that the district posts its nondiscrimination policies in all schools, offices, staff lounges, and student government meeting rooms.

4. Post in a prominent location on the district web site in a manner that is easily accessible to parents/guardians and

Note: Both federal and state laws contain requirements for translation of certain information and documents. Title VI of the Civil Rights Act of 1964 requires school districts to ensure meaningful access to their programs and activities by persons with limited English proficiency. OCR has interpreted this to require that, whenever information is provided to parents/guardians, districts must notify limited-English-proficient (LEP) parents/guardians in a language other than English in order to be adequate. OCR enforces this requirement consistent with the Department of Justice's 2003 Guidance to Federal Financial Assistance Recipients Regarding Title VI Prohibition Against National Origin Discrimination Affecting Limited English Proficient Persons. Under the Guidance, a recipient of federal funds has an obligation to provide language assistance to LEP individuals based on balancing four factors: (1) the number or proportion of LEP individuals likely to encounter or be served by the program, (2) the frequency with which LEP individuals come in contact with the program, (3) the nature and importance of the services provided by the program, and (4) the resources available to the recipient and costs. State law is more specific than federal law. Education Code 48985 requires translation of certain information and documents if 15 percent or more of students enrolled in the school speak a single primary language other than English.

8. Ensure that students and parents/guardians, including those with limited English proficiency, are notified of how to access the relevant information provided in the district's nondiscrimination

Note:

the uniform complaint procedures (UCP) specified in 5 CCR 4600-4670, must include (1) a requirement that school personnel who witness an act take immediate steps to intervene when safe to do so, (2) a timeline for investigating and resolving complaints, (3) an appeal process, and (4) translation of forms when required by Education Code 48985. In addition, federal regulations require districts to adopt procedures providing for the prompt and equitable resolution of complaints of discrimination on the basis of sex (34 CFR 106.8), disability (34 CFR 104.7 and 28 CFR 35.107), and age (34 CFR 110.25). OCR guidance on federal civil rights requirements notes that districts may have a responsibility to respond to notice of discrimination whether or not a formal complaint is filed.

Note: Complaints of sexual harassment must be addressed through the federal Title IX complaint procedures established pursuant to 34 CFR 106.44-106.45, as added by 85 Fed. Reg. 30026, if the alleged conduct meets the federal definition of sexual harassment. Pursuant to 34 CFR 106.30, sexual harassment includes (1) a district employee conditioning the provision of a district aid, benefit, or service on an individual's participation in unwelcome sexual conduct; (2) unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the district's education program or activity; or (3) sexual assault, dating violence, domestic violence, or stalking as defined in 20 USC 1092 and 34 USC 12291. Allegations that do not meet this definition should be addressed through the district's UCP. See BP/AR 5145.7 - Sexual Harassment and AR 5145.71 - Title IX Sexual Harassment Complaint Procedures.

Students who feel that they have been subjected to unlawful discrimination described above or in district policy are strongly encouraged to immediately contact the compliance officer, principal, or any other staff member. In addition, students who observe any such incident are strongly encouraged to report the incident to the compliance officer or principal, whether or not the alleged victim files a complaint.

Any school employee who observes an incident of unlawful discrimination, including discriminatory harassment, intimidation, retaliation, or bullying, or to whom such an incident is reported shall report the incident to the compliance officer or principal within a school day, whether or not the alleged victim files a complaint.

Any school employee who witnesses an incident of unlawful discrimination, including discriminatory harassment, intimidation, retaliation, or bullying, shall immediately intervene to stop the incident when it is safe to do so. (Education Code 234.1)

Note: Though a formal complaint must

complaints of sexual harassment that meet the federal Title IX definition, AR 5145.71 - Title IX Sexual Harassment Complaint Procedures. Once notified verbally or in writing, the compliance officer shall begin the investigation and shall implement immediate measures necessary to stop the discrimination and ensure that all students have access to the educational program and a safe school environment. Any interim measures adopted to address unlawful discrimination shall, to the extent possible, not disadvantage the complainant or a student who is the victim of the alleged unlawful discrimination.

Any report or complaint alleging unlawful discrimination by the principal, compliance officer, or any other person to whom a report would ordinarily be made, or complaint filed shall instead be made to or filed with the Superintendent or designee who shall determine how the complaint will be investigated.
